Voicemail message instructing you to browse to a malicious weblink.

# What can we do when we receive a Phishing email?

- Double check the source of your emails and links.
- Delete any messages that look suspicious.
- Don't respond to an email requesting your personal or financial information.
- If unsure about the message you've received, call our IT Service Desk on +44 (0)1202 9 65515.
