STEPS TO CREATE A YOUTUBE ACCOUNT

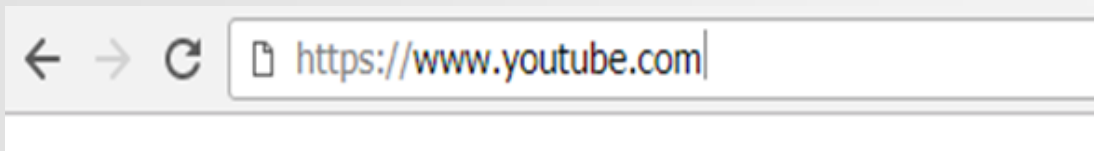

1

Open a web browsing application (e.g. Google Chrome) by double-clicking on the icon .

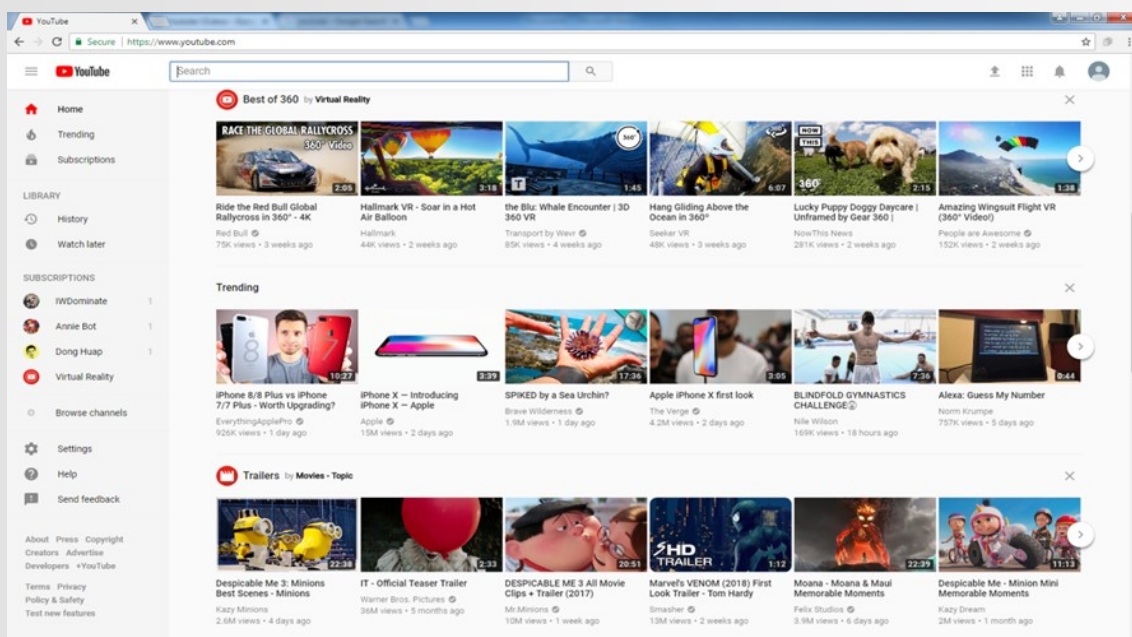

2

Type YouTube web address (www.youtube.com):

3

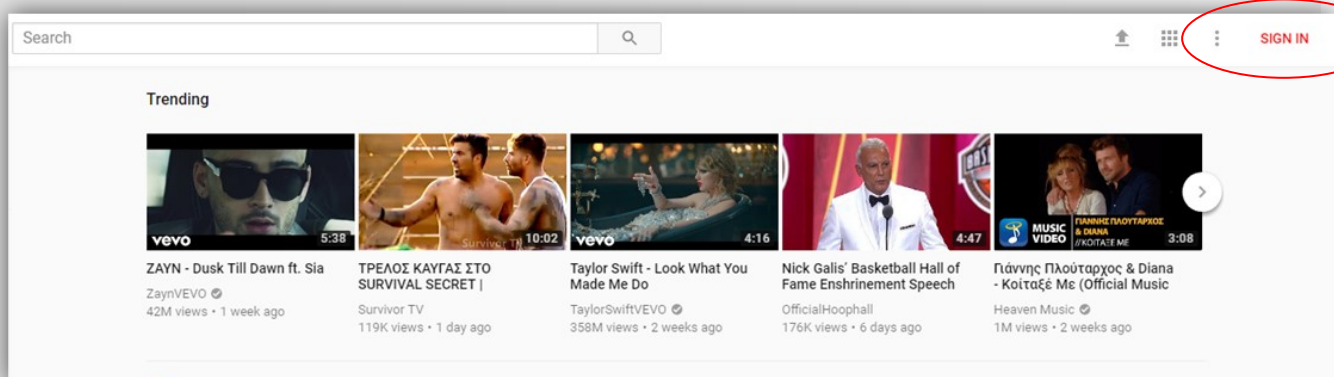

you will be redirected at YouTube webpage:

1

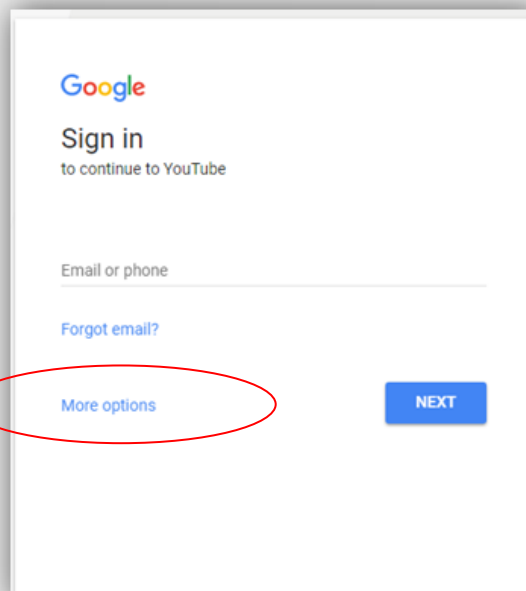

4

To create the new account click on **Sign In**:

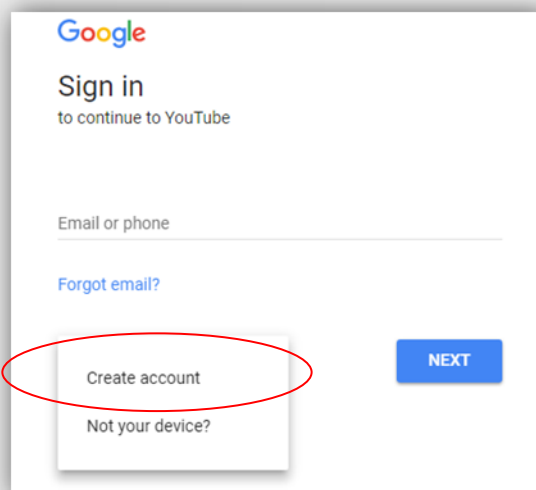

5

In the window appeared choose **More Options**:

6

On the next window choose **Create account**.

2

7

In the window appeared type your personal details (First and Last name, username and password.)

Attention! Passwords must consist of at least 6 characters (letters, numbers, symbols).

The screenshot shows the 'Name' section with 'First' and 'Last' name input fields. Below is the 'Choose your username' section with a text input field ending in '@gmail.com' and a blue link 'I prefer to use my current email address'. The 'Create a password' section has a single text input field. The 'Confirm your password' section has a single text input field.

8

Enter all the rest of your personal details (birthday, gender, mobile phone, current e-mail address and location). Then click on **Next Step**:

The screenshot shows the 'Birthday' section with 'Month', 'Day', and 'Year' dropdown menus. The 'Gender' section has a dropdown menu with 'I am...'. The 'Mobile phone' section has a dropdown for country code (showing '+357') and a text input field. The 'Your current email address' section has a text input field. The 'Location' section has a dropdown menu showing 'Cyprus (Κύπρος)'. A blue 'Next step' button is at the bottom right.

You have now created your personal Gmail and YouTube account!
